GRADE 12 SPRING CLASSES

6 October 2025

Dear Parent/Guardian

The above classes are being conducted at school as per the notice given to learners. These classes are being monitored by the school and the Department of Education.

It is encouraging to note that those learners who are dedicated are attending these important classes and are benefitting from them. However, some learners are not attending, especially those who have performed poorly in their trial exams. It is imperative that you, as the parent are ensuring that your child attends these classes, as attendance will have a direct bearing on improved results.

A parents meeting will be held to discuss your learner's performance. You will also be answerable for your child's non- attendance to these extra classes, should this be the case.

I am appealing to you to please ensure that your child attends these classes. A copy of the time – table appears hereunder.
