Dear Parent/Guardian,

RE: Programme of Assessment – Term Three

Please find attached a copy of the Programme of Assessment for your child/ward.

What is a Programme of Assessment?

- It is a structured plan outlining the SBA tasks per grade throughout the term.

How to use the Programme of Assessment to improve your child/ward's time management:

- SBA tasks have been allocated a due date.
- Learners will be given ample time to plan and complete these tasks.
- Common Tasks from the District have also been incorporated into the Programme of Assessment.
- The dates for these tasks are determined by the district team.
- Supervise your child/ward and guide them in completing tasks prior to the due date.
- The topics for the term testing programme are also included. This allows learners to begin planning their study time tables in advance.
- Dates are subject to change, but learners will be given ample notice of the new dates.

Yours in educational advancement

Mr. L. R. Mudley – Principal
