Dear Parent/Guardian

**RE: Winter Vacation Classes 2025**

As per the time table sent on our previous communication, it is expected that parents ensure that learners attend the classes that are being made available to them.

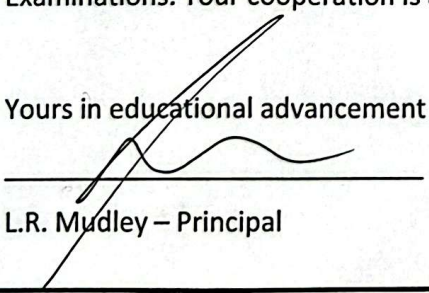

These classes are scheduled at various days and sessions between Wingen Heights Secondary and Arena Park Secondary. Parents are required to make arrangements to transport learners between these venues so that learners reap the benefits of accessing these invaluable tuition sessions.

I encourage all learners to attend the Wingen Heights programme as it is a **compulsory programme** mandated by the department of education. Underperforming learners must make the effort to use this programme in order to pass. Underperforming learners are those that obtained below 50% per subject based on the term one results.

Non attending learners will complete a non-attendance form and face consequential measures as outlined by department of education.

I appeal to you to use these classes in an effort to maximise your child's performance in their NSC Examinations. Your cooperation is appreciated.

Yours in educational advancement

  
L.R. Mudley – Principal
