

All learners who have not applied for ID'S must produce the documents listed below on Monday 16 February 2026. The municipality will get Applications done via school.

ID PROJECTS 2026

We would like to thank you for the good working relationship we have built over the years with the aim of assisting the learners apply for their Smart I D Cards. As Home Affairs team we would like to request the required documentation for the ID application process.

The required documents for the ID application are as follows:

- Child's Birth certificate
- Parent's/guardian's ID copy
- Death certificate where applicable
- All the documents **MUST** be certified at Police Station

These documents should be in the possession of the school by the 30 of January 2026. The relevant Community mobiliser will collect the documents from the school on the first week of February. This will help the Home Affairs team to speed up the process.

Please provide us with the Name of School and Principal, contact and email address.
